Tivat, Montenegro As with every journey, we must plan all parts of travel in the best way. If coming by plane you have 3 choices:

1. Tivat (Mne), 10m drive from the hotel
2. Podgorica (Mne), 1.20hr from the hotel
3. Dubrovnik (Hr), 1.45hr from the hotel

If you are traveling to Tivat:

- A) you can easily grab a taxi on arrival
- B) we can arrange a taxi for you

If you are travelling to Podgorica:

- A) you can take a pre-arranged taxi/transfer (we can help you with the booking)
- B) take a taxi to the bus station and then bus from the bus station to Tivat (You can get the advance ticket on getbybus.com or similar sites or buy it on the spot)

If you are travelling to Dubrovnik:

international airport in Croatia, close to the border of Montenegro consider that the journey might slightly vary due to border crossing Best option is to arrive with pre-arranged transfer service and we can help you arrange it. Don't take a taxi in the airport as it can be costly. Alternatively, if you arrive a day early and stop over in Dubrovnik you can take a bus to Tivat from the centre (you need to check the time schedule)

**According to the time of arrival of participants, wherever possible, we will try to arrange a group transfer either by taxi or other transfer service, which of course will be cheaper than travelling alone. Rent-a car Of course this is a good option too if you like to be totally independent. In this case make sure that the car rental allows going over the border from a Schengen (Croatia) to a non- Schengen country (Montenegro)
